Virginia Affairs.

New York, July 27.—The Times' Wash-
ington special says: The case of the admissibility
of negro testimony which lately arose in Alex-
andria has been so arranged that all cases which
may hereafter arise, and until further orders, be-
tween colored and white people, and in all cases
where colored people shall be summoned as wit-
nesses, are to be tried before Provost Courts, and
under the second paragraph of Circular No. 5,
above referred to.Gen. Roddy is in Washington applying for
pardon.The Times' Richmond correspondent says:
In accordance with the proclamation of Gov.
Pleasant, the charter election came off to-day,
and was conducted in perfect order. The in-
terest of the community principally centered on
the Shriverly, and the successor of Joseph
Mayo, the former Mayor. J. W. Wright, ex-
Deputy Sheriff, was elected over three competi-
tors by a plurality of 134 votes, defeating H.
Kellison, who has held the office for several suc-
cessive terms. N. A. Sturdevant was elected
Mayor over Wm. Taylor by a majority.Taylor is an old and respected merchant. Mr.
Sturdevant is a young lawyer of good standing
and acknowledged ability. Both of these newly
elected officials entered the rebel army after the
passage of the conscription act, and continued to
serve until the surrender of Gen. Lee.Judge W. H. Lyons was re-elected to the
bench of the Hustings' Court, without opposi-
tion.Robert Howard was re-elected Clerk of the
Hustings' Court, by 336 majority, over G. L.
Christian, a gentleman who had lost a limb in
the rebel service.Marmaduke Johnson, ex-rebel officer, was
elected Attorney for the Circuit Court, over L.
Taylor, by 240 majority.The aggregate vote polled is about 500 less
than in April, 1861, just prior to the so-called
ordinance of secession.

The Freedmen in Arkansas.

New York, July 27.—The Herald's Wash-
ington special has the following: The affairs of
freedmen in Arkansas are represented as in a
most prosperous condition. In a report received
to-day at the Freedmen's Bureau, from Colonel
Wm. Strong, now making a tour of examination
in that portion of the South, for the purpose of
observing the working of the system now being
tested. He says that in Little Rock District
alone there are 3,500 freedmen employed, in
pursuance of orders from the Secretary of War,
at the following rates of wages:First class male laborers receive from \$25 to
\$50 per month, and ration; and first-class women
laborers receive from \$15 to \$18 per month, with
ration.One-half of the wages of these employees are
paid to them every two months, and the balance
is ordered to be retained for them to the end of
the year.Of the above number of laborers, upwards of
2,000 are employed by some forty-three lessees
of plantations. The latter profess to be entirely
satisfied with the labor they receive from the
freedmen, and have but little trouble with their
employees. They claim, however, that the estab-
lished rate of wages is too high, and that they
have to pay one-third more than is charged in the
Mississippi Valley. They estimate that their
cotton will cost them from 30 to 25 cents per
pound when baled and ready for market. Col-
onel Strong remarks, in this connection, that if
the planters are not at fault in these calculations,
no money will be made on the cotton crop.

Davis and Clay in their Prison.

New York, July 27.—The Herald's For-
t Monroe correspondent says: Davis' health has
failed to such an extent that he has been per-
mitted to take out-door exercise, that is, out of
his casement but inside the Fort. Dr.
Craven advised this, saying unless it was granted
he could not live much longer.Mr. Clay, through his physician, has secured
the same privilege.A strong guard accompanies Davis in his
walks. He has not had recent company, except by
wife, a single letter of heartfelt sympathy, but
there have been letters in which all the bitterness
of hate and taunting sarcasm and earnest malice
have been contained words of most stinging
rebuff.Threatening Aspect of Affairs on the
Mexican Frontier.Cincinnati, July 27.—The Gazette's Cairo
dispatch of the 26th says: The Galveston cor-
respondent of the Houston News writes, under
date of July 1st, that orders had been issued to
the officials at Matamoros to prepare accre-
dited for 35,000 troops, Austrians and Alge-
rians. The reason given for this collection of
troops is because we have a similar number at
Brownsville and adjacent points. French offi-
cers assert that there is no reason why the
United States should send an army of eighty or
one hundred thousand men to Texas, unless she
desires aggressive movements upon Mexico. The
spirit of the two armies is described as being
hostile, and there is no affiliation between our
officers and those of the Empire.Dick Taylor Applying for Pardon—
The Rebel Rappahannock.WASHINGTON, July 27.—Among the numerous
applications for pardon to-day was the late re-
bel General Dick Taylor, who arrived here to-day,
and is at Willard's Hotel.The Navy Department is informed that the
Dictator made 10 knots an hour going into port,
and would have gone fifteen if her bottom had
been clean. Her engines worked better than ever
before.Captain Walker, of the Sacramento, informed
the Navy Department that he could not make a
lawful prize of the Rappahannock lately, owing
to the fact that she hugged the coast too closely,
and all the time in British waters.

Military Affairs.

New York, July 27.—The President's order,
dated June 27th, dividing the United States in
Military Divisions and Departments, has been
somewhat modified. The Department of Lou-
isiana and Texas has been divided and made into
two, which will be known as the Department of
Louisiana, commanded by Major General E. R.
S. Canby, and the Department of Texas, com-
manded by Major General H. G. Wright.Montgomery county and that part of Ann
Arundel county lying south of the Annapolis and
Elk Ridge Railroad, including the city of Annapolis,
has been taken from the new District of Wash-
ington.
